Re: **Ex Parte Presentation**  
CG Docket No. 03-123

Dear Ms. Dortch:

I am writing to report a conversation held between the undersigned and Nicole McGinnis of the Consumer and Governmental Affairs Bureau on November 27, 2007. The conversation addressed the timing of the FCC's upcoming order on the handling of IP relay and VRS emergency calls. The undersigned raised concerns about the need for lead time that would allow relay providers to come into full compliance with directives that involve connecting calls to appropriate public safety answering points as well as directives for relay call prioritization.

This letter is being filed electronically.

Sincerely,

Karen Peltz Strauss  
Legal Consultant, CSD
